ABOUT

Leyah graduated from SUNY Alfred State with a Bachelor of Business Administration degree, including a focus in Financial Planning, in 2023. In addition to earning her degree in just three years, Leyah was also a first-generation college graduate.

During her schooling, she held roles within various organizations on and off campus, including the SUNY Alfred State Business Department as an Office Assistant. Additionally, she has previously served as an Office Coordinator for State Farm Insurance and as a Tax Preparer for Corning Credit Union.

Leyah discovered her passion for financial advising throughout her coursework and furthered that interest during her internship with Corning Credit Union in the Wealth Strategies Department.

Outside of her professional career, Leyah enjoys hiking, being outdoors with her dogs, and spending time with her friends and family.
